

See How ComPaaS Helped This
Managed Service Providers Company

SAVE 54.2% With Cloud Resource Optimization

CHALLENGES

- Cutting down the Cloud cost effectively.
- Notification about the Cloud resources.
- Downloading reports about Cloud resources for the ease of view.

SOLUTION

View historical performance trends in a simple 3D graph to gain relevant insights about usage patterns and customize trend rules.

BENEFITS

- Cut down your Cloud cost continuously using our trend-based optimization.
- E-mail notification about the execution of automatic trend rules.
- Ability to download the advisories and charts in PDF and XLS.
